**EXCELLENT OIL GRIP PERFORMANCE
WITH 13GAUGE LINER**

DESCRIPTION

ActivGrip™ 565 series feature a revolutionary new surface treatment that provides a superior grip never imagined under the dry, wet, and oily conditions. Unlike rough surface treatments, MicroFinish® adjusts to different conditions by reaching like tiny suction cups that attach themselves firmly to the material being handled. This powerful gripping action helps ActivGrip™ 565 series improve worker safety and productivity on a variety of handling applications.

FEATURES

Oil Resistance

A nitrile surface with MicroFinish® makes AG565/AG566/AG567 multi-purpose material handling gloves ever.

Durability

The properties of nitrile enable the gloves to resist punctures and abrasions strongly, yet additional benefit of a secure firm grip is guaranteed with MicroFinish®.

Comfort

A 13-gauge seamless liner and ergonomic design assure a maximum comfort and minimum hand fatigue.
